Dr. Robin Pierucci is a neonatologist. Dr. Pierucci tends to the needs of infants who were born prematurely and are at the gestational ages of babies who are legal to abort. Through caring for these very small patients of hers, Dr. Pierucci was challenged about the values she learned growing up in a "pro-choice" household.

Right to Life of Michigan PAC Announces Candidate Endorsements

On June 6, 2024 RLM-PAC released the list of endorsed candidates for the Primary election this August. The following candidates were listed for St. Joseph County:

US. Congress:	Tim Walberg
State House:	Steve Carra
Probate Court:	Kevin Kane Kelly Ward
Prosecuting Attorney:	David Marvin
St. Joseph Sheriff:	Chad Spence
St. Joseph Treasurer:	Kathie Humphreys

Why We Vote

1. Elections have Consequences The results of every election have outcomes that span multiple generations. The cause of life is being attacked on all fronts and overwhelming turnout is needed to correct it.
2. Your Vote Matters. A single vote can sway election outcomes. In 2022, 3 MI Senate seats and 5 MI House seats were determined by less than 1,000 votes each. In 2023, a prolife city councilman in the Grand Rapids area won his race by just four votes.
3. It's the Right Thing to Do!

From Amber Roseboom, President, RLM

You've likely noticed that life issues are the nucleus of the cultural moment, the engine driving our political debate and our societal discourse. Now is the time to engage on the issue and help offer women a real choice, a choice for life.

Two years after Dobbs, abortion clinics in Michigan are less safe than they were even a year ago, as a result of Governor Gretchen Whitmer and her allies removing long-standing health and safety standards for abortion clinics. The governor and her proabortion allies also legalized partial-birth abortion, and they eliminated transparency for the abortion industry by striking abortion reporting from law, to name just a few items.

Today, a woman in Michigan can choose to have an abortion for any reason. But for choice to truly exist, women must have every opportunity to make a choice for life. At Right to Life of Michigan, we have taken the opportunity to refocus our efforts - to reach out to women and embrace choice and all that a hopeful, courageous choice for life can bring.
