Pro-life voter turnout is critical to maintaining a pro-life majority in the Michigan House, electing a pro-life governor, gaining a pro-life majority in the Michigan Senate, and supporting candidates committed to protecting life and promoting safeguards for women.

The Right to Life of Michigan Political Action Committee (RLM-PAC) has announced its Primary Election endorsements, including four endorsed candidates for governor. A complete list of endorsed candidates in all applicable races can be found at

Why We Vote

1. Elections have Consequences

Election results impact our daily lives and that of generations to come. Today, long-standing, life-affirming laws that protect parents' rights, women and children are being attacked on all fronts. We must elect candidates who will stand for common-sense Michigan values and defend parental consent, now at risk, and safeguards against using our tax dollars to fund abortion.

2. Your Vote Matters

A single vote can sway election outcomes. In 2022, 3 MI Senate Seats and 5 MI House seats were determined by less than 1,000 votes each. In 2023, a pro-life city councilman in the Grand Rapids area won his race by just 4 votes.

3. Make Your Voice Heard

“Our political leaders will know our priorities only if we tell them, again and again, and if those priorities begin to show up in the polls.” - Peggy Noonan, Speechwriter to President Ronald Reagan

4. Vote ProLife

5. Go the Extra Mile: Volunteer

Right to Life of St. Joseph County is looking for volunteers who will make phone calls to turn out the prolife vote. Training is available. It is true that by turning out the prolife vote we will win! You can be instrumental in getting prolife voters to the polls.

Please call Pat at 269-535-4257. She will need your name, phone number and email address.

Thank you so much!

For Choice to truly exist, a woman must have every opportunity and the support they need to make the Choice for Life.
